Proven Electric Power and Performance

Designed with ease of operation in mind, the OLYMPIA ICEBEAR® Electric's simplified operational controls are conveniently located within reach, allowing the operator to make precise blade adjustments during the cut.

The OLYMPIA ICEBEAR® Electric with its stainless steel construction has a 3.3 m³ snow bin capacity and an open-bin height of only 2.64 m ideal in low ceiling applications, requiring as little as 0.61 m front opening clearance.
